

# Goods Order Inventory System Pro Reseller Program

# About GOIS Pro

## “One stop solution for all your inventory related issues”

GOIS Pro is a cloud based inventory and order management solution. It has been designed and developed by MetaOption LLC, an esteemed 10+ year old New Jersey based IT Company. Since 2005, GOIS Pro has been fulfilling the inventory and order management needs of businesses across various industry verticals throughout the world.

Automating Inventory Management Process with continuous innovation and development:

# Why become GOIS Pro Reseller

## “Growth is not by chance, it is the result of forces working together”

Every business, irrespective of its size, requires an effective inventory management system to manage its work flow flawlessly. Advancements in technology have changed the way business owners manage their businesses. Now-a-days, everyone wants to get maximum benefit by automating their business workflow.

In a survey conducted by Wasp Barcode Technologies on State of Small Businesses, it was reported that only 33% use an inventory management system (WASP Barcode, 2016), which leaves about 67% of the total market untapped.

**Becoming a reseller of cloud based inventory management system has its own perks like:**

- ☑ Almost 67% of the market is untapped and is open for you to conquer
- ☑ Becoming our reseller is absolutely free
- ☑ Being technically sound is not a criteria
- ☑ Industry best profit-share ratio: up to 50% as compared to the market trend of 25%
- ☑ Normally software companies provide commission to its channel reseller after they have sold the product, whereas GOIS Pro shares profit on billing itself.
- ☑ Transparent commission, discounts & incentives structure
- ☑ Special discount to reseller if he himself wants to use the product
- ☑ An aggressive discount program for non-profit organizations i.e. Government/Churches/Schools/ Charities
- ☑ Online Reseller Dashboard/Panel: For managing details of users, customers, performance, commission, payments, accounts, and leads
- ☑ 24x7 Online Support

# People Are Talking About Us

**WILL'S**  
**PLUMBING**  
& TESTING SERVICE

Goods Order Inventory System Pro is a highly-secured SaaS based inventory management application, which stores all our confidential and important sales reports. With all the added security features, one can easily rely upon this software for data protection. Three cheers for GOIS Pro!"

**Warehouse and Fleet manager from Wills Plumbing**

 **DERMATOLOGY  
& SKIN SURGERY  
INSTITUTE**  
OF NORTH TEXAS

"I needed an 'all-in-one' SaaS-based inventory software, which can be used for our stores. GOIS Pro allowed us to handel inventory management for different business units/locations at one place. Being on the cloud, we can easily access the updated stock reports in real-time."

**Practice Admin from Dermatology and Skin**
